Informants of this office and members of the Special Squad of the Milwaukee Police Department have recently advised that LA GALBO represents a faction of the Italian criminal element which is connected with the Chicago faction and that FRANK BALISTRIERI represents another faction which is connected with the Kansas City element. Recently there have been indications that the two factions are feuding and that LA GALBO is attempting to take over from FRANK BALISTRIERI as head of the Italian criminal element. ~~The Special Squad believes that a war is brewing between these two factions and may erupt into the open~~ [REDACTED]
